Dear Members,

I hope this finds you all doing well as we are into the fall and hunting season. If you are out hunting I hope you are enjoying your time in the woods and that you are successful.

Because of mild weather we could not have the youth fishing derby again but we did have youth come and attend an educational event on ice fishing. Two fish wardens were there to help us out. The Drum and Henry fishing derby was in June with approximately 150 youth in attendance.

Something exciting to me is that with support of the club we have a family operating our trap range now and having weekly open shoots. In September they had a trap shoot in memory of a former board member Ed Bailey. There were 72 shooters. They are now working on a school trap team for grades 7-12.

We now have a web page that you can look up club activities. Web address is on top of newsletter.

I would like to thank all the volunteers for your help and our members that help finance our club. Without you the club could not be what it is.

Please if you would like to help us, put a note in with your membership or call me at the number at the end of newsletter.

Some dates in the future where we will need help;

Jan. 18th, 9am-10am or longer and every Sat. after to give out corn until corn is gone.

Spring time to get club ready for the summer.

Last week in May to get ready for the Kids Fishing Derby.

Mowing, weed eating and projects during the summer.

The raffle winners for last year were Mathew Yingling, Jason Fox, John Gillen, Rea Ann Mallery and Blake Lynch.

Club Activities: The Drum and Henry Fishing Derby will be Sunday June 1st. We will have a Youth Ice Fishing event late January or early February (weather permitting). Weekly trap shoots have been Sundays at 1:00 Look at our web site and face book page for dates and times.

Pond and Fishing: The pond will be stocked for winter fishing close to when we have the youth event.

Corn: We plan on having corn available again this year. We will give out corn at the club Saturday mornings starting Jan. 18th, from 9am – 10 am or later if necessary. Details will be advertised and on our web site. Corn price has not been decided yet.

Ranges: The ranges are in good shape and ready for your use. We ask that you please follow the range rules. Please do not hang your targets on the upright posts.
THE PISTOL AND RAPID FIRE RANGES WILL BE CLOSED FOR THE FIRST DAY OF DEER SEASON.

Trap Range: Look on web page for dates and times of open shoots.

Club Rentals: For information renting the club contact Frank Armanini.

Club Dues: Enclosed you will find your dues application and raffle tickets that help defer the cost of sending out the newsletter. A self addressed stamped envelope would also help in sending back your membership card. **If you are 80 plus and have been a past member for 20 years you will receive a free membership.** Your continued membership is greatly appreciated.

A family membership is intended for immediate family.

We are always looking for ideas and help to make the club a better place for you to use. Please let us know if you are interested in helping or have ideas.

Our membership meetings are held quarterly, Jan., April, July, and October on the 3rd Wednesday of the month at 7:00 PM. Our meetings will be advertised.

To find any changes or new activities check our web site and face book page, Cameron County Bucktail Rod & and Gun Club. Web address is on top of newsletter.

In closing our board of directors would like to wish you a safe and enjoyable hunting and holiday season.

Sincerely,

Frank Armanini, President
