AN ORGANIZATION DEDICATED TO BETTER HUNTING, FISHING AND SPORTSMANSHIP LOCATED IN THE HEART OF THE ENDLESS MOUNTAINS.

Facebook: "Cameron County Bucktail Rod & Gun Club"

Dear Members,

Welcome to another membership year I hope this finds you all doing well as we are into the fall and hunting season. If you are out hunting, I hope you are enjoying you time in the woods and that you are successful. Our club has approximately 750 members. We would very much like to see you at our membership meetings that are on the third Wednesday of January, April, July, and October at 7 PM.

2026 was the second year of the Cameron County Clay Crushers, our youth trap team. This year they had 20 kids participate and we saw a vast improvement of some shooters. There will continue to be a youth team in 2027 and we hope it continues to be a success. We had two benefit trap shoots one for the youth team and the Ed Baily shoot for the club. The weather allowed us to have a youth Ice fishing event and we had the fishing derby in June with about 140 kids showing up to fish. We had the ceiling under the pavilion done. What an improvement!

I would like to thank all the volunteers for your help and our members that help finance our club. Without you the club could not be what it is

If you would like to help with any future projects please include a note with your membership or call me at the number listed at the end of the newsletter.

Over

Gun Ranges: We try to keep the shooting ranges in good shape for your use. Please follow the rules and hang targets where you are not shooting posts or boards.

Note, THE PISTOL AND RAPID-FIRE RANGES WILL BE CLOSED FOR THE FIRST DAY OF DEER SEASON.

Trap Range: Look on our web and Facebook pages for dates and times of open shoots.

Club Rentals: For information about renting the club contact Frank Armanini.

Fishing: The limit for trout in our pond is two trout per day. Fish are now very expensive (for example, a 10-inch trout is about $5.50). Rather than waste it, we recommend you catch and release. You must be a member to fish our pond.

Club Dues: Enclosed you will find your dues application and raffle tickets that help defer the cost of sending out the newsletter. A self-addressed and stamped envelope would also help in sending back your membership card**.** Your continued membership is greatly appreciated.

- If you are 80 plus and have been a past member for 20 years you will receive a free membership**.**
- A "Family Membership" is intended to cover immediate family only.

We are always looking for ideas and help to make the club a better place for you to use. Please let us know if you are interested in helping or have ideas.

Our membership meetings are held quarterly, Jan., April, July, and October on the 3rd Wednesday of the month at 7:00 PM. Our meetings will be advertised.

To find any changes or new activities please follow our web site and Facebook pages (addresses are at the top of this newsletter). Additionally, instructions to subscribe to the club calendar are located at the bottom of the calendar page on our website.

In closing our board of directors would like to wish you a safe and enjoyable hunting and holiday season.

Sincerely,

Frank Armanini, President
